“ I treasure the short time I got to share with Norma. A very lovely lady, whom loved everybody as did they her. She was so appreciative of all her friends for te many calls, food, prayers, errands, visits, and all other acts of kindness bestowed upon her. Norma will be missed not only by her lovely children, friends, but the entire community and all whom knew her. We love you, Norma. Carol H. Meyer

“ I always thought a lot of Bill and Norma. I worked with or around Bill for several years and on several projects even after he retired. When we were working in the Grenola area, many times we stopped by the house and Norma would serve up some delicious deserts. Toni and I visited her after Bill passed and have only briefly seen her since. I am sorry to hear of her passing. I always enjoyed talking with her and hearing her laugh. She always made us feel welcome. I pray God's comfort for the family.
