Aunt Norma was such a beautiful soul nothing could bring her down, I spent alot of time at her house when I was a child my father and I would go to the Edward's house back in the early 80's and spend time with her and the girls and the boys. My father really respected her and so did I she will be missed*

“ *Norma and I spent hours on her front porch on Edwards street in Wichita talking for hours about everyday. She always told me she loved me and how she wanted me to walk with God. She loved living for God. She was a mother figure to me. Always kind to me always gave me the Oh boy its Roy greeting.*
