“ When we think of Juanita it is of her personality and her friendliness, always gracious and never a stranger! WE only knew a small part of her life, and we met her in many various places in Howard. We have been welcomed in her home at various times and we have been in her company in many more. I think of her a lot as I walk every day, and she always walked around town and up Wabash from her house to the senior center. A lady we admired and loved for who she was , she will never be forgotten. I personally wear a woolly hat like Juanita did when it was cold, and I never fail to think of her when I put mine on. Strange the things that we remember, but we just wanted you, to know how well she was respected in this town and thank you for giving us a place to tell you. She is at peace now but she left a legacy that will live forever! God Bless you. Rev Gary and Jean Parsons

“ Juanita was my Mother in Law Ellen Gordon's "twin sister" and partner in crime when they shared a room at Twilight Manor. They enjoyed each others company so much. I remember getting a phone call from them late one evening because they wanted their photo taken in their matching nightgowns.
