“ *I remember when I was a little girl my mom would set in the dark watching scary movies she would sit quietly until the good part then yell out loud and scare us 5 kids. We had our good times. But she enjoyed her family*

“ *She will be greatly missed. I remember when I was growing up I used to throw tantrums. I would sit on the floor, kick my legs, throw my arms, and scream and cry. I did this with aunt Pam one time and she got on the floor and joined me....I don't remember many more tantrums after that. I love you aunt Pam.*
