She was strong and independent. She loved her family and raised her two children Paula and Robert alone. She kept in touch with all her nieces and nephews. She volunteered at the Humboldt summer food program, Humboldt Senior Center, and various nursing homes, including, Heritage Healthcare until she moved in as a resident; even then she still helped the other residents. Pat loved her flowers and liked being outdoors as much as possible. She liked to walk outside and ride the bike in the PT room. “ Mom today was the hardest day of my life. And I know I will have good days and bad days, but for right now moving forward there will be a darkness over me and an emptiness in my heart. I miss you more then any words I can put down, and will love till my dying breath and we see each other again. I Love and miss you mom. Love, Paula
