“ So sorry for Pat's Family I know that she will be missed in so many ways in the days ahead. Pat's smile & laugh was special as well as her helpfulness and tender loving heart. She always made me feel like a special friend as she was to me. We shared years as neighbors on Garfield as children than even later after married life. We both had the dream & desire to become mothers something that did not come so easy for us but Praise The Lord we did. We laughed and cried together so many times through the years as true friends do. On our last visit at St. Francis Hospital we shared some of those times as she also expressed how she wanted to share Christmas and her newest to be grand baby, that too The Lord granted. Yes, Pat was a Special lady but of course I don't have to tell you that because she loved her family with all her heart. May God be with you in the days ahead & may you feel her presents with you too.

“ *What a beautiful woman Pat was! She was always smiling when u seen her or humming, singing. My daughter Ashley went to her gingerbread day care the last year it was open with her granddaughter Jenna. The Leroy/Burt family has always been there and excepted my children and I remember one day we were hanging out at the Leroy's home while the pool was being set up and we asked Pat to be Ashley's Godmother she said yes. Pat helped my children and I when I left their dad, she was always encouraging and compassionate about Gods word. All her family and friends are in our thoughts and prayers to comfort them through the pain. You will be missed by everyone you touched and helped! RIP Mrs. Pat Leroy God has a beautiful Angel now! Love you*
