“ I miss my father deeply. I would like to share a few quotations regarding the end of life that feel appropriate for Dad:

*"Death, so called, is a thing which makes men weep,  
And yet a third of life is passed in sleep." - Lord Byron*

*"Be of good cheer about death, and know this of a truth, that no evil can happen to a good man, either in life or after death." - Socrates*

*"How surely are the dead beyond death. Death is what the living carry with them. A state of dread, like some uncanny foretaste of a bitter memory. But the dead do not remember and nothingness is not a curse. Far from it." - Cormac McCarthy*

*"You only live twice. Once when you are born and once when you look death in the face." - Ian Fleming*

*Thanks to all who visited this site to remember a great man.*
