“ *Phyllis's birthdate was the same as mine and in the 1960's I remember celebrating birthdays together, her husband Howard was in school with my mother Lois Knapp Call at Oxford, Kansas. We would occ. go to the Belnap community church for get-togethers. In the 80's, i went with my dad, Loyd Call to pick field corn to eat. I went to school with the younger kids, Doris was in my class after she and Fred came to the Cedar Vale schools. I want to express my sympathy to the family.*
