“ Ray was a special man. He was more like family then a friend. He and Nita would always welcome us into their home. We spent quite a few holidays together. He and Nita took us on many rides around AZ and he was just great with my kids. I remember how I met him. He used to do our yard when my mother was too ill to leave house. When my mother passed, he and Nita came and took the kids out for a soda, so they wouldn't see her leave the house. You could always count on Ray. He could tell some good jokes and stories too! He even was there when I got married and signed as one of our witnesses. "I'll miss you Ray....so glad I got to hear from you again before you went into hospital." Love, Ronnie and Anne
