“ Sometimes someone special is put into our lives. Dick or “Super Man” as we know him is that person for me. For instance him showing up to my high school graduation to my wedding & many more major events in my life made so special with Dick and Linda being part of them. His smiling face and genuine love will be missed forever. My son was probably 3 or 4 years old when Dick called looking for daddy. Cory asked him who was calling and he said to tell him it Super Man. 30 years later he's still Super Man. RIP my beloved friend. Love you forever.
