“ I am so very sorry to hear of Rick's passing - far, far too early. He should have had many more years to share with his grandchildren and great grandchildren.

It's been several years since Rick and I were in touch, but I will always remember his dry wit. Even more, I'll remember his willingness to share his knowledge and offer whatever help was needed to get something done. A tough talker who never realized that we could always see the heart of gold underneath.

Please accept my condolences - you will all be in my thoughts during this difficult time. May his memory be a blessing.....

“ I am truly sorry to hear of the loss of Rick. Please accept my condolences and may the love of family and friends comfort you during these difficult days. I worked with Rick at OneNeck and I have very fond memories of our lunch discussions. He often opened my eyes to looking at things in a different way and always kept me laughing. RIP Rick.
