

## Robert Lyle Clark Jr.

June 25, 1968 - November 29, 2024

“A limb has fallen from the family tree.”

Robert “Bobby” Lyle Clark, (56) Of Chanute, KS left this earth peacefully at home on the 29th of November 2024 surrounded by love after a 2-year battle with cancer.

Bobby was born in Wichita, KS on June 25, 1968. He was the youngest of the three children, having his mother to look up to, and gaining a remarkable friendship with his siblings. He was a wonderful single father to his two daughters and prayed for his son’s success. Loving his girlfriend as she stood by his side until his last breath.

Bobby spent his life striving for happiness and teaching everybody along the way what love, and loyalty really was. He was funny, brave, smart, and compassionate. He loved going on nature walks and enjoying the fresh air. He was always up for adventures, and made everybody around him laugh. Bobby had an amazing sense of humor and loved to speak his mind. Realizing he had a talent for cooking, he used that to accomplish his goals and became a phenomenal cook at the Grain Bin restaurant for many years.

In early December of 2022, Bobby was diagnosed with small cell lung cancer, undergoing chemotherapy and radiation. As it spread throughout his body, he decided all he wanted was to be surrounded by loved ones. In September 2024 he was then diagnosed with pancreatic cancer.

Bobby will be lovingly remembered and missed by his mother, Wanda Darlene Clark; brother, Steven Clark, sister, Starla Clark; girlfriend, Holly Hill; Children;

Elizabeth Jaskolski, Hanah Capp (Kendall), Jakob Bench; Grandchildren; Navia, Ember, Phoenix, McCoy, Harmony; and numerous other family members and friends.

“ Bob, baby.....  
You were and will always be in my heart. I love and miss you everyday, to say your everything is an understatement., baby you changed my life. You showed me love and in that not only myself but to honestly love you, I'll always have that because you love me and I could live myself, making me love you more. We laughed and we cried, but we had fun. ....
