“ I got to know Bob while working with his wife Shirley. He was a quiet person but did enjoy listening or talking about current events. I remember his smile, he could light up a room with his smile! He will be missed !

“ Bob and I were long time friends in the United States AF. We were stationed together in Virginia and Texas. Played many rounds of golf together as well as softball. Bob and I last saw each other when he accompanied me to Las Vegas to celebrate my birthday. A very quite spoken man that loved his family and friends. He will be missed and even though we lived far apart I thought of him and his wife Shirley often. Our prayers are with Shirley and family.

“ So sorry to hear of Bob's passing. We all shared a lot of good times when we all lived in Miami. Bob and I had a very good phone conversation a few month back. We pray for you Shirley during this difficult time. RIP old buddy.
