“ Bob and I became friends during the 2 years I attended Chimacum high school in Washington state. He moved to Bellingham where I later moved as well. We had a lot of fun, crazy times with our motorcycle antics - dreaming up hairbrained "high performance" ideas and terrorizing the local neighborhoods - he on his Honda 90 and me on my 650 BSA. Bob moved away from Bellingham after a few years and we lost touch. But we had reconnected a few years back on FB. I had hoped to visit him soon. Rest in peace my friend.
