Rodney was always thinking of others 😭 He continued to get gifts for Bruce and me well after the families didn't get together for holidays any longer. He continues to brag about his kids even though they are married and gone from home. I know he continues to grieve for his lost love Pearl to the last hour of his life! I hope those of us who struggle on here on earth meet them soon in the bosom of Our Father!

“ I always enjoyed our joint family events where Rodney attended. He was always very quiet, but I could tell he was very involved and invested in his family. So sad to hear he passed. God bless. He will be missed.

“ So sorry to hear of Rod's passing. I have so many memories of Rod (and Ernie) when they were just little guys on Grandma and Grandpa Gus' farm. What fun all the grandchildren used to have! I send my condolences to all of you. Aunt Carol
