“ Dear Betty, So sorry to hear about Rod. When my kids and I were struggling through some tough times you and Rod gave your support and let us know that if we needed anything that you would help us with anything we needed. Every time I have seen you both since that day, you have asked how we were doing. Well, it means a lot to have had your love and support in those tough times and I want you to know that if you need anything at all to call us. Our hearts and prayers go out to you and your family.
