“ I was given the chance to work with Ron at Thermo-Vac, Inc., many, many years ago. Got to be pretty good friends, and even though I hardly seen him over the past 20 years, when I would see him at the gas station, we would always ask each other, how our families are? He loves his family so very dearly. I am so sorry for your loss! My thoughts and prayers go out to all the family! * R.I.P. Ron *

“ I will miss your smile and how good you were with the grandkids and your kids. Miss your face at church, running the equipment. You made a beautiful staff that hangs on church wall and the beautiful podium the pastor stands at. You were a great friend to my son all these years.

So Heaven is your home now and your family and friends will have good memories of the good man and awesome Dad you were. We will sit in church and admire the wooden cross hanging on the wall that you made to honor your Lord.

Fly high Ronnie...till we meet again
