“ *My name is Coach Heider and i had the pleasure to coach Ron Edwards in the fall of 1992. To the Edwards Family, please accept Janet and my sincere sympathy, in regard to this tragedy.*

I saw something special in the Edwards boys, as they had a great burning desire to be great athletes. Ron was exactly what I was looking for in a football player. He was a tough person, who liked to win. We developed a close relationship, and I always knew that I could count on Ron if I needed something done.

He and his family will always be welcome in our house.

Gods Speed.
