“ *I didn't know Tony or the family. I know what it's like to loose a child no matter the age. I lost my 33 yo daughter in a tragic accident also,so I know the pain and shock you feel. I certainly can't bring them back but I can be with you on this journey you are about to take.*

May God be w you on this journey lean in close to him. Please feel free to contact me if you need reassurance that you aren't going crazy that you must go on. Prayers and safe travels back
