Vickie her step Daughter. We will remember all of the wonderful times we visited with My mother Mary and Rose when they lived just a couple of doors away from one another.

“ I met Rose about a year ago. She loved life and the people she shared it with. I will never forget my visits with her and Brandy. She would talk to Brandy like she was human and I swear Bandy knew what she said. I know Rose loved the Lord with her heart and soul and she is with him. God Bless You Rose!!!
