Rosalie was one of those very special people that come into our lives that we learn to love from. She had a heart of gold and was always so sweet and kind to everyone she met. She taught me how to decorate cakes and we spent many hours together laughing at my lousy roses. And to this day I still can't make a decent rose but it sure wasn't from her not trying to teach me . Good memories of a wonderful lady . God Bless to the family.

“ *I am so sorry for your loss. I just found out on Mom's FB wall and am also sad that I cannot be there. I live in Valley Center and there's just no way. I remember as a child, sitting in awe watching her make those beautiful cakes. She made several for my birthdays. She was a kind and wonderfully witty woman and I have missed her for some time now. May God bless you and be with you in your grief.*

I am so very sorry for your loss. I have been a close friend of Rosalies for 40 years. I have hunted, fished, and shot trap with her and Mac and we have shared a lot of memories that I will cherish forever. Now that they are together maybe they can finally catch Louie. I will miss you!
