“ *Rosie was the sweetest most kind hearted lady that I've ever known. I admired her for her strength and her devoted religious beliefs. I worked with Rosie and knowing that she would be there just made that day much more special. In the short time that I've known her, I consider myself indeed fortunate to know such a beautiful soul inside and out and to be proud to call her friend. You will be missed. Our angel on earth has got her wings. Fly high my dear friend and know that you made the world a better place.*
