“ *Jontra family,
I am so sorry to hear of Roccoe's passing but I thank our Lord that he did not have to suffer long and we know he is in a better place. I want you to know that my thoughts and prayers are with you. I am sorry that I won't be able to make it home for the funeral. Sharon, I'm so glad I was able to see you both when I was there in late July. I will treasure those memories along with many more that I have of Roscoe and spending time with your family. Roscoe genuinely cared about how others were doing and I loved hearing his teaching stories. I love you all so much and Stan hopefully I get to see you at some point as we continue to miss each other when we come back.*
