“ I met Ruth and her husband Dennis and church in Fredonia when they started attending. From the minute I met them we clicked and became instant friends. They had us over to there home for a couple meals and we had them in return. We then moved to Texas and I missed them both greatly. It is with a sad heart when Dennis text me and said she had passed. I will miss visiting with her. Thoughts and Prayers to Dennis and the family

“ Ruth was a very dear friend. Loved her heart to serve. Had the privilege of working with Ruth and Dennis at Mercy House for several years. Enjoyed our time together working or playing. She will truly be missed.
