“ I met Brent when I started working at Precision areostructures in Grove oklahoma. He was a fantastic trainer. He Loved his Mama, sister Terrei and his family along with his fur babies so very much. He was an extreem fan of Alabama Football. His happy place was in the kitchen. He loved to cook and try new recipes. I will miss him so very much. Prayers for his family and friends. ROLL TIDE!

“ I met Brent when I started working at the same Aerospace company. He was a great instructor and had a way of making others feel comfortable. His easy going personality was one of his many gifts. He was in fact very nervous around groups of people but would put on his amazing smile and sense of humor and make others feel comfortable. He absolutely Loved his Mama and Sister. and his fur babies (and Alabama Football). He and his sister had a language of their own that was absolutely cute. I will miss him so very much. Prayers for his family and friends. ROLL TIDE!
