“ Sarah was a joy to be with. Always smiling and had the best hugs! My fondest memories of her are the days she spent in Eureka High School. She graduated with my son Trent and always went to his music gigs when his band played, close by! She loved to dance and I'm pretty sure she was slightly smitten with one or two of the guys in the band! That was our Sarah! Hugs, love and prayers go out to Tori and family. May you find peace in knowing Sarah is wrapped in the arms of not only Jesus, but her precious Momma she has missed so very much. God Speed sweet Sarah, we will see you when we see you.
