“ You were always one to give me advice. To be upfront with me and sometimes scold me. The last call I had from you was two weeks ago and you said Glenda Kay don't worry. I am thankful for all you have done for me. Even from afar. I am grateful you are no longer in pain. I know you left a hole in many of our hearts but we will do our best to fill that hole with memories. I love you Sharon. Always have always will. Rest my dear. You have much to do yet. See you when I get there. 🌹❤️
