“ I'm so sorry I didn't get to say good bye! I so sorry that we never met! I am so happy and honored to have met your two daughters and your five grandchildren! I know part of you will live on in all your children and grandchildren and that part will always be near. I wish you a safe journey dear Sherrie. Love Fresca

“ When I was 16 my first car was a stick shift, not knowing that you are to shift down. I shift up. And my car dies and I am going the wrong way. People are yelling at me, saying I'm going the wrong way.. sherry is setting in the passenger seat laughing so hard she was about to pee her pants. Eventually, I was able to pull into hobby lobby parking area. And I Finley got my car to start. So this time I went the opposite way where it was level. Sherri you will be missed, good friend. Rest in piece
My prayers go to the family,
God bless. Paris barnes, James
