“ I remember when all 4 of us got to spend a week at the Grandparent's house. We decided to tame all the chickens by running them down and holding them until they quit struggling. Grandma was Sooo upset with us because they didn't lay eggs for a week.

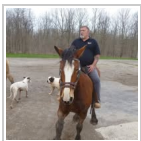

No need to mention here All the mischief we got into when we were together. And for the Record, You're Mom and Dad were my Favorite. I always looked forward to the Blue Impala pulling up!
Better days 4 sure, We Will Meet Again Brother.
