

Susan M Burkman

January 22, 1947 - March 20, 2021

Susan M. (Jones) Burkman, age 74, passed away Saturday, March 20, 2021 at Heritage Health Care in Chanute. Susan was born January 22, 1947 in Chanute, KS the daughter of John Paul Jones and Ada Marie (Brazil) Jones.

She assisted in the design of the first ICU at Neosho Memorial Hospital and was the Supervisor for many years. She continued her career in nursing with the other companies before her illness.

Susan's greatest joy was her family. She loved being with her family and especially her grandchildren. At different times, Susan's twin granddaughters, Tiffany and Tierra lived and cared for her and she was forever thankful for that time with them. She was always very proud of them as well as her grandson's Caleb and Cameron. Caleb shared the same birthday and she made sure everyone knew this. She also made sure that everyone knew that her youngest grandson Cameron was a firefighter. Susan was thankful for many of her caretakers. The love and care that many gave her was more than her family could ask for.

Susan is preceded in death by her parents John Paul and Ada Jones; brother's Pete Jones and Jim Jones; and her husband Reuben Burkman.

“ Dear Jones Family

It is always difficult when a loved one leaves this world to go to a better home. I have so many good memories of my youth and the times that I was able to spend with the Jones Family. My Grandmother Eula (Eagle) Krepps truly enjoyed the times she got to babysit the Jones Family. Thoughts and prayers for your family at this time but remember the joy that she shared with so many people.

“ Susan certainly had her share of suffering these last few years; the few times I was able to visit her at Heritage, she was a delight to talk with, happy to have her books with her and, yes, so proud of her family. Eternal rest to her, sympathy to her family.
