

Teresa A. Leppke

December 15, 1959 - February 28, 2025

Teresa A Leppke was born on December 15, 1959 in Wichita Kansas and entered eternal peace at her home in Chanute on February 28, 2025. As a child she moved to Thayer Kansas and attended and graduated from THS. From there she went on to marry Rick Christmas and they had 2 children. After they divorced, she went on to remarry and have 2 more children. Most of her life was spent as a homemaker. And that's who she was. Mom. She always had the comforting words to say in the right situation. She was very honest and anyone that knew her knew she'd give you an honest answer, even if it stung.

She is survived by Melissa Lewis and her husband, Mark and Adam Christmas, all of Chanute, Jacob Hysom and his wife, Karissa in Claremore, Oklahoma and Milo Wolfe & spouse Lokiil in Washington. And grandchildren Mattie, Jillian, Luna, Delilah & another on the way.

She will be remembered in many different ways by those who love her and whose lives she touched. Cremation has taken place under the direction of Countryside Funeral Home and a service will be announced at a later date.
