“ Dear Clay and Kathy, So sorry to hear about Thursa's passing. The good thing is she is with Junior and Marla and is no longer confused. There are so many wonderful memories that I have of her (as well as all the Kansas Bramans.) Thursa taught me how to make her delicious Cherry Pie.... Especially the crust!!! I can see her in the kitchen serving those delicious pies and Fried Chicken to the workers. My how I loved to visit . We'd go dancing in Chanute with Junior and Thursa and one night I drank 100 proof and was carried in to bed on the farm...(Maybe I shouldn't share that). Anyway, Thursa always will have a special place in my heart. Love and Blessings to you and Cameron and Austin... Jane

“ Clay and Kathy, I was very sorry to hear of your Mom's death. I did not know her well, but had met her on many occasions with the Carlsons. I do know she was at the wedding shower Joyce hosted for me at High Prairie Church and I visited with her several times when I went with my Mom to the beauty shop (they both went to same place but had different stylist). Anyway, My Arms are Around You at this time of loss.
