“ *My love goes out to the Fritch family. The family I love as my own. I looked for to the time me and Tim would come to his hometown and help everyone we could. He always was helping everyone and I was there to help him as well. I'll never forget the moment he got down on one knee and asked me to be his wife. We had such a future planned for us we was excited to live. I now live with the memories that we made and I'll live with you in my heart. I will forever love you. I never knew a love like the love you showed me.*

“ So many of my favorite high school memories were with Tim. Thank God officer Cindy had a good sense of humor. I hate that we grew apart as we started our families. You will always be one of my favorite people and I'll always b a pinto pony stock groupie.
