“ Sherrie, So saddened to hear of your mom’s passing. I so wanted to be there, but am watching grand babies for my daughter’s Dr. Appt. I have so many great memories of your Mom. All the times I spent the night and every time I saw her even after we got older, she was the kindest, hardest working person with that infectious laugh and smile. She never missed a chance to say hi and ask how we were doing. Please know you and all the family are in our hearts. I would love to get together when things slow down for you and reminisce. Love you and know she is hopefully chatting with my mom, Mike and Wayne.
