“ Terri, I'm so very sorry of your Mom's passing. She lived a good many years. I remember her so well from Dr. Rindt's office. She had to correct me one day on how to spell her name of Gearldene. I was spelling it like mine.....Geraldine. I never knew before then that there was a different way to spell it.
Please pass my condolences along to your family. I am unable to attend the visitation and services but you and your family will be in my thoughts and prayers. In loving memory, Gerry Mahan

“ Terri, It remember when your family would come to visit Mom and Dad! They loved for them to visit. One time Dad and Uncle Tom took Chet out sight seeing and Jerry said for him to be back by 4 pm! They kept him out until about 6 pm and your Mom got mad at him! In Moline is about the only place where the Mississippi River flows East and West so your Dad told your Mom that when he saw the sun set in the North. He knew it was no time. To get out and try to walk home! my Dad and Uncle Tom liked to get Chet in trouble! We loved your Mom and Dad And Family! Our thoughts and prayers are with your Family! Love you all!

“ Aunt Geri always welcomed me with open arms when I would go to Kansas. I would spend the day with her & Valdon. She must have been the one that taught my mom to crochet. I will miss her.
