“ Our condolences go out to the Hall family for their loss. Mrs. Hall will be missed. My family got to know Virginia back in the 1980's when she was my sons teacher at Chanute Headstart. She shared her love, faith and knowledge with all the children and the parents that came to volunteer at the center. I really appreciated her great concern for how our youth would need guidance and consistency in order to grow into caring citizens. I am thankful for her presence on this earth. May peace be with her family.
