

Wesley Dewey

November 25, 1943 - January 22, 2017

Wesley Warner Dewey, age 73, of Petrolia, KS, passed away Sunday, January 22, 2017 in Chanute, Kansas. Wes was born on November 25, 1943 in Chanute, KS the son of Emery and Margaret (Cooley) Dewey.

On October 25, 1961, Wes married Feona Wilhite at the Faith Assembly of God church in Humboldt, KS. Feona survives him at their home.

Wes' love of the outdoors and nature was instilled at an early age, and this passion was reflected in his art. Being artistic most of his life, he began painting professionally in the mid 1980s. He was an award winning wildlife artist, and entered several Duck Stamp competitions. He placed 4th in the first Kansas Duck Stamp competition in 1989 and won the competition in 1990. Over the ensuing years, he placed in the top 10 of the National Wild Turkey Federation Turkey Print competition, won the 1999 Kansas Wildlife in Art Series" competition and was commissioned to paint the original artwork for the Taggart/Wild Trust Memorial Print to benefit the Cheyenne Bottoms in Great Bend, Kansas. In 2000, Wes' Federal Duck Stamp entry earned him an 8th place finish. He also placed 8th in the 2001 Nevada Duck Stamp competition and 2011, he was the winner of the Louisiana Duck Stamp Competition. Throughout his career, Wes donated prints and originals to many conservation and humanitarian causes.

Prior to becoming a full time wildlife artist, Wes worked as a designing engineer in the music division of Kustom Signals, and owned his own sign painting and screen printing business.

His hobbies included dirt bike racing in his younger years, stock car racing, and photography.

Wes loved spending time with his family, especially with his 17 grandchildren and 5 great grandchildren, and enjoyed passing on his knowledge of the outdoors and wildlife through countless game hunting, fishing, and mushroom hunting trips. Although his passing has left an unfillable void, it is through his family that his memory will live forever.

“ When my family and I moved to Chanute, Meredith and her family were some of my first friends. Being a part of their family I got to know Wes and Fiona and they always made me feel at home. I was amazed by Wes's artistry. With his attention to the smallest details within his paintings, I could imagine those ducks, geese, etc. were going to fly off the canvas. He will be missed more than we know, but he hurts no more. He joined Maria, Lindsey and his previously passed family members. I will keep great memories, and will say hi each time I am blessed to look into his art that I am blessed to have in my home. My Love, thoughts and prayers are with my Dewey family.

Dewey family, I'm so sorry for your loss. I didn't know Wes very well. We moved from Kansas when I was young. I think I got to know him from all the facebook posts from your family. Wes became one of my first friends in Chanute when I moved in from the country in the 7th grade. He was already drawing wonderful detailed landscapes, cars and everything that caught his eye. After Wes became a professional artist, my wife Jackie and I became the proud owners of many of Wes' prints and original paintings. I will miss Wes, his talent, sense of humor and friendship. Our thoughts and prayers go out to Fiona and family .

“ *I am so sorry to here about the passing of Wes Dewey. I wish each and every family member, wife, kids, grandkids and extended family God's peace and strength. He has been a joy and comfort to all his family during his lifetime. I always appreciate being welcome to stop by and pick up Taven and just chat. They were always gracious and welcoming to us. It's been great getting to know the family members that I have been in contact with. At the end of the day they were one big family just doing what families do, hanging out and having a good time, which I got to enjoy a few times. I know Wes did so many things for all his kids and grandkids and his wife and he will be so missed. I pray the family will find peace and comfort during this time. May God's Blessing be upon the family as they go through this tremendous loss. May God keep him for the day that we join him in heaven for that joyous reunion. Let us always keep his memory in our hearts and minds. God help fill the void this will leave in many lives. Praying for you all. God Bless!*

I am so glad to have stopped for a visit at the gallery in Humboldt on way to our 55th Chanute High School Class of 1961 reunion back in Sept 2016. To see his magnificent work and to have known Wes for all those years since graduation, and many before in elementary school was most rewarding. He leaves a wonderful legacy. I will always remember Wes for one thing---not a painting, not a sketch----nope, just that SMILE!!

“ Wes was my best friend and my "protector" during our high school days. We both shared photography and art class together. I was good at photography and of course Wes excelled at art. Feona was Wes' girlfriend in Humboldt and she introduced me to her friend Darleen. Wes and I married those two friends. Wes and Feona stood up for Darleen and I when we got married. While Darleen and I moved away from Kansas, we stayed in contact with Wes and would visit whenever we were in the area. We will miss him and his great sense of humor terribly. We send our heartfelt condolences to Feona and the family.

Wes, and I had an art class together for a couple of years at CHS, he was a fantastic young artist, and I was a poor young artist, and he always made me feel I was doing good work. Oh did we have fun in that class. Wes, was so much fun, and one of the nicest, happiest, humble guys you could ever meet, with a big smile, and kind word. What a special artist, and person.

RIP Wes,
