“ I met William Lee Roberts on 10/10/1988. Met my wife later that night at a bar in Overland Park Duck Clark’s or something. My Best friend. Would do Anything for him. Same for me. He had a pseudonym however. Really faked everyone out. Don’t know what that’s about , don’t care. Always be Willie to me.

“ I had the pleasure of working with Willie in the graphic arts/printing field at two different companies over the span of nearly 25 years. He always treated me as an apprentice- showing me the best way of doing the job. I learned so much from him. We also enjoyed a good friendship away from work. Willie was a fun guy to be around. We shared a mutual sense of humor that would leave us giggling at silly stuff all the time. He was a kind soul, and the news of his passing was heart-breaking. God’s peace to his family and friends.
