“ So many wonderful memories of our time together, she was always there for all the important events in my life, for the past almost 22 yrs. One of my proudest was when she went with me to have the sonogram and she got to be in there when they said it was TWINS (DJ & Jon)!!! What a happy grandma! I think we both teared up a bit and she about broke off my big toe she was holdin on to :~D I will miss her everyday of forever.
